TRIVIA

GAME

Objective

Be the first player/team to **correctly answer 10 trivia questions** using erasable writing boards.

Materials Included

- Erasable writing boards (one per player/team)
- Markers for writing
- 200 Trivia questions

Setup

1. Divide players into teams or individuals, depending on the number of participants.
2. Each team/player receives an erasable writing board and a marker.
3. Designate a moderator to ask the questions and keep score.

Rules

- Players must write clearly and legibly on their boards
- Once a team/player reaches 10 correct answers, they must announce it to the moderator to win.
- In case of a tie, continue asking questions until one team/player pulls ahead.

Tips

- Encourage players to strategize on which questions to focus more effort on.
- Keep the pace of the game moving to maintain excitement.
- Adjust the difficulty of questions based on the age and knowledge level of players.

Gameplay

1. The moderator begins by pulling a card at random and asking the first trivia question aloud to all players.
2. Players/teams have a set amount of time (e.g., 30 seconds) to write their answers on their boards.
3. After the time limit, all players must stop writing and hold up their boards.
4. The moderator checks the answers:
 - If a team/player has the correct answer, they score a point.
 - Incorrect answers score no points.
5. Continue asking questions in rounds until a team/player reaches 10 correct answers.

End of Game

- The game ends when the first team/player correctly answers 10 questions.
- Congratulate the winning team/player!

All cards include page numbers so players can learn more and check out pictures from the Guinness World Records 2025 book!
