

# Merge Cube/Goggles Instructions

Using your smart device (smart phone, tablet, etc) go to [mergecube.com/start](https://mergecube.com/start) for a more detailed list of instructions.

## **1. Download any MERGE Cube App**

Visit [www.miniverse.io/cube](https://www.miniverse.io/cube) and download any of the free MERGE Cube apps from the Apple App Store or Google Play store.

## **2. Choose Phone Mode or VR Mode**

Launch a Merge Cube app and select phone mode or optional VR Mode. Step 5 will give you instructions on setting up the goggles.

## **3. Create a MERGE Account & Activate the MERGE Cube**

To unlock all of the MERGE Cube features, set up a MERGE account by entering the activation code included in container.

Enter an adult's email address to finish creating your MERGE account. A confirmation link will be sent to the account owner's email. Once the email is confirmed, select your user profile to begin.

## **4. Play with the MERGE Cube**

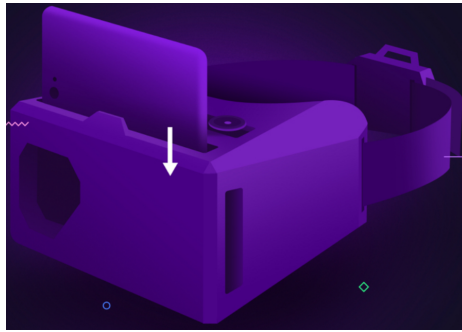

Once you're set up in phone or VR mode, select "Tutorial" to get an overview of gameplay and enjoy the MERGE Cube

## **5. If you plan on using the VR Mode check if your phone is VR/AR ready.**

Visit [www.VRTest.Ninja](https://www.VRTest.Ninja) using your smartphone to check your device compatibility and readiness for mobile virtual reality. Press "start" to test your device and receive your score.

## **6. Insert Your Smartphone**

Drop in your smartphone with the screen face towards where your face goes.

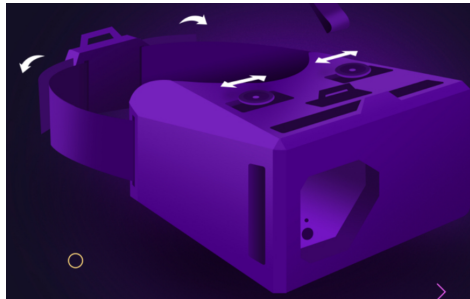

### **5. Take a seat**

For your safety it is best if you remain sitting.

### **6. Put on Goggles, Adjust Lenses and Strap**

Once you place the goggles on your head, readjust the straps as needed. The goggles are fitted with lens adjustments that can slide left or right to give you a clearer picture.

### **7. Interact With Input Buttons**

While holding the top and bottom adjustments, press down on the left and right input buttons to interact with the VR experience.
